## Duty to Avoid Unnecessary Costs of Service of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the summons and complaint. A defendant located in the United States who, after being notified of an action and asked by a plaintiff located in the United States to waive service of summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the complaint is unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service the jurisdiction of the court or to the place where the action has been brought.

A defendant who waives servicemust within the time specified on the waiverform serve on the plaintiff's attorney (or un represented plaintiff) a response to the complaint and must also file a signed copy of the response with the court. If the answer or motion is not served within this time, been actually served when the request for waiver of service was received.
